## VILLAGE OF WEST LAFAYETTE PURCHASING CARD POLICY

### Overview

The Village's credit card is for use in purchasing merchandise and services for the Village of West Lafayette. It may be used at stores, by phone, by mail, by fax or over the internet.

The Fiscal Officer, with the concurrence of the Village Council, is responsible for issuing a credit card.

The individual is responsible for the credit card bearing his or her name (cardholder). However, the credit card is the property of the Village of West Lafayette.

It is the responsibility of the individual to whom the credit card is issued to report lost or stolen cards to the Fiscal Officer immediately (740-545-6541). Immediately is defined as: The moment the cardholder realizes the credit card is lost or stolen. If the Fiscal Officer is unavailable, the cardholder must call and notify the financial institution issuing the card at (800-346-5538) of the lost or stolen card.

Once notified, the Fiscal Officer is required to immediately notify the financial institution issuing the card of the lost or stolen card.

order must be made as soon as possible. If purchase order is requested after the transaction, a “then and now purchase order” must be requested.

## Purchasing Guidelines

The following guidelines have been adapted specifically for the Village's credit cards.

1. The credit card is only to be used for Village-related purchases including food bank purchases. Personal items must never be purchased using the Village's credit card.
2. Effort must be made to determine the local, best purchase price for any item.
3. Exception to guideline #2 – Items under Village contract must be purchased in accordance with the relevant contract, at the contract vendor, at the contract price.
4. The credit card may never be used for the following disapproved items:
  - Alcoholic beverages
  - Automotive gasoline – except when out-of-town on Village business or in Village vehicles
  - Tobacco products
  - Financial Services – including ATM/cash machine access
  - Adult products and services
  - Items for personal use
5. All documentation for credit card purchases must be given to the Fiscal Officer within 3 business days of a purchase or receipt of merchandise. In the event documentation is lost or destroyed a Lack of Documentation Waiver Statement must be submitted to the Fiscal Officer within 3 business days.

## Documentation

By law, the Village of West Lafayette is required to keep supporting documentation for all disbursements. Transaction documentation fulfills this requirement for credit card purchases.

In most cases, a sales receipt is sufficient documentation. For mail, phone, fax, or internet orders a packing slip or order form may be submitted. All documentation must be itemized and include itemized price information.

If no documentation is present or if the documentation is unacceptable, the Fiscal Officer must require the credit card holder to complete a Lack-of-Documentation Waiver Statement.

If acceptable documentation is not received, the credit card holder may be held responsible for reimbursing the Village for the undocumented purchase.

## Taking Care of the Credit Card

Credit cards are to be carefully protected. Credit cards may not be kept in a place or manner which would facilitate unauthorized access. Account numbers should not be displayed in an obvious place. Account numbers and expiration dates should be given only to vendors.

Credit cards must be returned to the Village immediately upon request. The credit card must also be turned in when an individual stops working for the Village. The Fiscal Officer will immediately cancel and destroy the card.

## Card Holder Agreement

It is the responsibility of the card holder who he/she gives authorization to for any transactions on his/her card.

Credit cards are only loaned to a village employee with the approval of the card holder or supervisor or Fiscal Officer.

I have read the above Credit Card Policy and agree to abide by all terms, conditions and requirements of the policy.

Violation of this policy may result in disciplinary action and up to and including termination.
